

Help us Imagine what Buckeye will look like in 2040

With the community's input and engagement, the City has developed a draft update to its General Plan: Imagine Buckeye 2040. We are excited by the ideas developed for Buckeye's future and want to share the plan with the community.

The City invites you to an **Open House on Saturday September 30th** to review and comment on the draft General Plan. This is an open house, so drop in anytime between 9 a.m. and 4 p.m. that works for you. Details on the event are provided to the right.

Imagine Buckeye 2040 will be the primary tool for guiding the future of the city. It includes the community's vision, goals and policies for guiding future growth. To facilitate implementation, the plan is grouped in the following three themes:

- ▶ **Growth** – The Growth theme includes elements that help guide growth and development to ensure it is balanced and promotes a healthy and vibrant community;
- ▶ **Services** – The Services theme provides guidance for the investment and development of City of Buckeye services; and
- ▶ **Stewardship** – The Stewardship theme includes several components that guide development of an excellent quality of life.

Your input is critical!

**The City
looks forward to
your involvement
and feedback on
Buckeye's future.**

We encourage you to visit www.imaginebuckeye2040.com.

Public Open House
